How to Download Film from GameTapeXchange

1. Go to our website www.gametapexchange.com and click on the "Officials" tab. Enter your Email/Username and Password provided by your conference office.

2. Once you have logged into the site please select your "Conference" and "Team" that you would like to download film from. Click on the "View Schedule" button.

3. Find the game you would like. Select the boxes with the views you would like to download and then click "Download Selected Media".

4. Once you have checked the boxes you would like to download and select "Download Selected Media" a box will appear. You have two options depending on which browser you are using (Internet Explorer or Mozilla Firefox).

a. For Internet Explorer users please use the following steps.

- A box will appear asking to “Run” or “Save”- Go ahead and click “Run”
- A security box should pop up next asking you to “Run” the file again go ahead and click on “Run”
- The last box to pop up will ask you where you would like to save your file... Click the “Yes” option and save the file to your Desktop or any other location you would like.

b. For Mozilla Firefox users please use the following steps.

- A box will appear asking you to “Save File” go ahead and select that option
- Another box will appear asking you to click on the “Open” option go ahead and do so
- The last box to pop up will ask you where you would like to save your file... Click the “Yes” option and save the file to your Desktop or any other location you would like.
