Synergy Access & Instructions for Officials

1. Officials will **ONLY** have access to the Synergy Video Express Application. Install the Video Express application on your Mac or PC using this link:

PC - <https://www.synergysportstech.com/apps/videoexpress/production>

Mac - <https://www.synergysportstech.com/apps/videoexpress/production/macOS>

2. Once you have the app installed on your computer, you can then login to the Video Express application with your account. Your username will be your email that you submitted to your conference assignor. If you have issues with your password, please click this link to reset <https://auth.synergysports.com/Account/ForgotPassword/>

3. Be sure to watch the short video below to learn how to download your games using the Video Express application, and where to locate that video on your computer once the game is completely downloaded (note you will need your Synergy login to access the following link/tutorial).
